1 - Want to have driver accountability or be able to track vehicle activity? Enter the Driver Name or Vehicle Description that you would like to appear on the invoice.
2 - If you fuel in Oregon you may need to fill out some extra paperwork; your salesperson will help you with these documents. Please enter a Yes or No in this column.
3 - Odometer tracking can give you an indication towards maintanence concerns, it also doubles as a deterrent for internal theft. Please enter a Yes or No in this column.
4 -This option will allow you to have drivers enter a number that can represent vehicle #'s, employee #'s, or job #'s. Please enter a Yes or No in this column.
5 - It is important that you set these as close to the actual fill limit of the vehicle's tank. This will prevent drivers from fueling unauthorized vehicles immediately after fueling company vehicles. Enter 10,20,30,40,50,75,150,250, or 500
6 - Many different fuels are available, but the most common are Regular Unleaded (UNL), Mid-Grade Unleaded (MID), Premium Unleaded (PRE), Low Sulfur Diesel (LSD), and High Sulfur Diesel (HSD). Please enter details or "All Fuels".
7 - Do you require access to off-road dyed diesel? Please enter a Yes or No in this column.
8 - Many CFN sites have oil dispensers that will work with your CFN card! Generally, oil is dispensed in Quarts and Gallons, please enter a Yes or No in this column.
9 - Enter the daily time period that cards are authorized to purchase fuel. If you will not purchase fuel from 5pm to 6am, then why have them on? Most fraudulent purchases happen at night & on weekends.
10 - Enter the days of the week that cards are authorized to purchase fuel. If you will not purchase fuel on the Weekends, then why have them on? Most fraudulent purchases happen at night & on weekends.
11 - Enter States or Provinces that cards are authorized to fuel in. If you will not purchase fuel outside of your state, then why have the others on? This prevents unauthorized road trips.
12 - It is extremely important to set your daily transaction limit 2 more than you would expect your vehicle's to use. This will prevent extreme fraud in the case that your cards are stolen with the Pin #.

Note - Card options are assigned to each individual card, feel free to be as detailed or general as you would like! Not all options are available at all sites, contact your salesperson for details.
